

LYLE 2022

Blanc de Blancs

WINEMAKER'S NOTES

WINEMAKER: CRAIG McNAUGHT

Cap Classique produced entirely from estate-grown Chardonnay grapes. Only the cuvée fraction of pressed juice was used to ensure the purest and most elegant bottled product. Matured on the lees for 40 months before disgorgement.

TASTING NOTES

Bright aromas of fresh lemon zest, lime and green apple are complemented by delicate notes of toasted brioche, roasted almonds and a distinctive flinty minerality. The palate is finely textured and beautifully layered, with vibrant acidity and natural tension. Elegant and persistent, the finish is long, flinty and precise, promising further complexity with time on the cork.

Enjoy now for its freshness and refinement, or cellar for 5–12 years to reveal additional richness and complexity.
